

Admission Process

Eligibility Requirements

- Graduate of a CAPTE accredited PT program or the equivalent (as evidenced by eligibility for state PT licensure)
- Currently licensed in the state of Massachusetts or license-eligible in Massachusetts by the start of the clinical portion of the program (early September)
- Meets all eligibility requirements to be employed as a practicing physical therapist within MGH PT Services
- Completed a minimum of 10 weeks of clinical experience in a neurologic setting either as PT student or as a licensed PT

Application Process

Submit application through RF-PTCAS (<https://rfptcas.liaisoncas.com/applicant-ux/#/login>)

by January 21, 2024, including:

- An official transcript from each PT college and university attended for those with less than 5 years of clinical practice.
- Curriculum Vitae
- Answers to the following questions:
 - What do you value in a residency program? How does our program align with your values? Why is a residency right for you at this point in your career?
 - Describe the depth and breadth of your experience working with neurologic patients.
 - What specific character traits do you possess that make you an ideal candidate for this residency program?
 - What are your three to five-year professional goals? How do you hope our residency will help you achieve those goals? Three letters of recommendation at least one of which must be from a clinical supervisor

Select candidates will have an in-person or virtual interview.
