

STAR *Statewide Training And Resources* Exposition

Thursday, May 21, 2009

8:00AM - 3:30PM

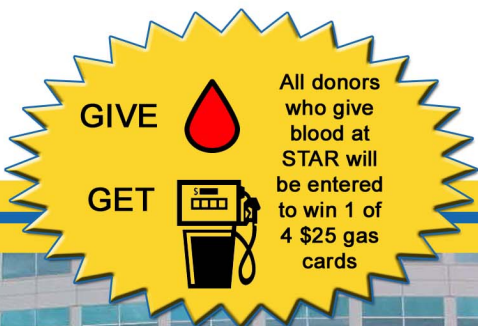

Boston Convention and Exhibition Center

Did you know that this year while attending STAR 2009 you could help save a life? STAR and the MGH Blood Donor Center are teaming up to ensure a safe and adequate blood supply is available for the patients at Mass General Hospital!

The MGH Blood Donor Center is affiliated with The Mass State Employee Blood Program so your donation at STAR 2009 will count towards your 5 donations per year goal!

To make an appointment or for more information about donating blood or the Mass State Employee Blood Program please contact Meredith Wentworth at 617-724-9699 or mwentworth@partners.org.
