Adventure Camp Notes:

- Campers are placed in one of the three programs by Aspire’s clinical staff. Program and grouping decisions are made based on developmental readiness, appropriate peer matching, and space availability. The Adventure Camp Junior program is a shorter day.
- Adventure Camp programs will be offering optional daily transportation to Hale Reservation in Westwood with a drop-off/pick-up site in Charlestown. The cost of this convenience is \$350 for the season. Please note that due to their shorter camp day, Junior campers would be able to use this optional bus service for morning service to Hale Monday – Friday and for afternoon service back to Charlestown on Wednesdays only. The Junior bus rate is \$200.

Financial Aid information is available on our website at www.mghaspire.org.

Application Fee: A \$75 application fee is required for first-time applicants.
