Dermatology Grand Rounds:
Management of Dyspigmentation in Ethnically Diverse Patient Populations

Sandy S. Tsao, MD
Assistant Professor of Dermatology,
Harvard Medical School
Cosmetic Dermatologic Surgeon
Massachusetts General Hospital
Dermatology, Laser and Cosmetic Center

Learning Objectives:

1. Define intrinsic and extrinsic factors which can lead to the development of dyspigmentation
2. Outline a cosmetic consultative strategy for patients with pigmentary concerns
3. Compare choice of cosmetic techniques available to optimize patient outcomes and minimize potential complications

Date: Tuesday: April 3, 2018
Time: 8:00am to 9:00am
Where: Simches Research Center, 3rd Floor, Room 3110
185 Cambridge Street, Boston
Boston, MA 02114

Course Director, Stephen Ostrowski, MD, PhD Massachusetts General Hospital, Dermatology
