Nicholas A. Sgaglione, MD is Professor and Chair of the Department of Orthopaedic Surgery at Hofstra Northwell School of Medicine. He also serves as Senior Vice President of Orthopaedic Service Line and Executive Director of the Orthopaedic Institute at Northwell Health System.

Dr. Nicholas Sgaglione has been in clinical practice for more than 26 years in Great Neck, New York. He graduated from the Mount Sinai School of Medicine and completed his residency in orthopaedic surgery at the Hospital for Special Surgery in New York followed by a fellowship in sports medicine at the Southern California Orthopaedic Institute in Los Angeles.

Dr. Sgaglione was elected as president of the Arthroscopy Association of North America for 2012-2013 and served on its Board of Directors until 2015. Dr. Sgaglione was elected by his peers to the American Orthopaedic Association in 2006, a prestigious national society for leadership, education and research. He has also served as the New York State delegate for the American Orthopaedic Society of Sports Medicine. He currently is a trustee of the Arthroscopy Association of North America Education Foundation. He is an active member of the American Academy of Orthopaedic Surgeons, American Orthopaedic Society of Sports Medicine, International Cartilage Repair Society, and New York Society of Orthopaedic Surgeons.

Dr. Sgaglione serves on the Board of Trustees of the Arthroscopy Journal as well as the editorial board of several medical journals and is the editor of three orthopaedic textbooks and more than 75 published articles and book chapters on knee, shoulder, ankle and cartilage surgery. Dr. Sgaglione specializes in sports medicine and has served as the Team Orthopaedist for numerous Long Island high schools and the United States Merchant Marine Academy for the past 27 years. He has served as an orthopaedic consultant to the United States Ski Team and the US Professional Golf Association. Dr. Sgaglione is the Team Orthopedist and the Medical Director for the New York Lizards, the Major League Lacrosse team. He also serves as the Medical Director for the New York Cosmos professional soccer team.
