HEAD AND NECK RADIOLOGY

September 22 - September 23, 2011

Program Directors
Hugh Curtin, MD • Alfred Weber, MD

Renowned Harvard and Guest Faculty include
Mauricio Castillo, MD • M. Judith Donovan-Post, MD • Joshua A. Hirsch, MD • Michael S. Huckman, MD • Michael Modic, MD
• Thomas Naidich, MD • James Smirniotopoulos, MD • Deborah Reede, MD • Peter Som, MD • Robert M. Quencer, MD

Massachusetts General Hospital • Massachusetts Eye and Ear Infirmary • Harvard Medical School
Department of Radiology • Department of Radiology • Department of Continuing Education
The educational objective of this intensive five-day course is to provide a comprehensive review of basic and advanced principles in the management, acquisition and interpretation of structural and functional imaging studies of the brain, spine, and extra-cranial head and neck. This year’s highlights include symposia on pediatric neuroradiology, spinal disease, trauma, acute stroke and MR spectroscopy.

At the conclusion of the program, the participant will be able to:

- Select the most appropriate and cost effective imaging studies for specific clinical problems of the central nervous system and head and neck
- Provide a full range of diagnostic possibilities for simple and complex imaging problems of the CNS and head and neck
- Integrate the most current pathophysiological and pathological concepts into the interpretation of these imaging studies

New concepts and recent development in the diagnostic approach to clinical problems using basic and advanced Magnetic Resonance Imaging (MRI), Computed Tomography (CT), angiography, fMRI, MRS, PET, and neurovascular sonography will be discussed by leaders in the field. The course is designed for beginning and experienced radiologists and neuroradiologists in clinical practice.

This course should be of special interest to those who plan to take the examination for the Certificate of Added Qualification (CAQ) in neuroradiology which is sponsored by the American Board of Radiology. It will also be of interest to neurosurgeons, neurologists, otolaryngologists, osteopaths, neuroscience clinicians, residents, technologists, technical representatives, health planners, and residents preparing for Board examinations in radiology, neurology or neurosurgery. This will be a unique opportunity for the participants to enhance their skills and evaluate some of the latest advances in the field of radiology. A renowned guest faculty, well known for their extensive contributions in neuroradiology, head and neck radiology, functional MRI and MR spectroscopy will join distinguished faculty from Harvard Medical School at the Massachusetts General Hospital, the Massachusetts Eye and Ear Infirmary and Beth Israel Deaconess Medical Center, in presenting this year’s up-to-date overview. A comprehensive syllabus will be provided as a permanent record of the course.

ACCREDITATION

Harvard Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Harvard Medical School designates this live combined activity for a maximum of 40.50 AMA PRA Category 1 Credit(s)™: Neuroradiology for a maximum of 29.25 AMA PRA Category 1 Credit(s)™, and Head and Neck Radiology for a maximum of 15.50 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

REGISTRATION INFORMATION

Full Course- Physicians tuition fee: $1025 (USD). Reduced fee for Residents, Fellows in Training, (with a letter of verification from Department Chair): $750 (USD). Neuroradiology Course only- Physicians tuition fee: $825 (USD). Head and Neck Radiology Course only - Physicians tuition fee: $750 (USD).

For specific tuition fees, see the registration form. All foreign payments must be made by a draft on a United States Bank or by Visa or MasterCard.

If paying by check, please make payable to Harvard Medical School and mail with completed registration form to Harvard Medical School Department of Continuing Education, PO Box 825, Boston, MA 02117-0825. If paying by credit card, please register online at www.cme.hms.harvard.edu/courses/neuroradiology

Telephone, fax or mail-in registration with credit card payment is not accepted. Inquiries may be directed to the above address; made by phone: (617) 384-8600, Monday through Friday, 10 AM to 4 PM (EST); or by email: hms-cme@hms.harvard.edu. Upon receipt of your registration form an email confirmation from the HMS-DCE office will be sent to you. Therefore, be sure to include an email address that you check daily/frequently. Your email address is used for critical information about the course including: registration confirmation, course evaluation and certificate.
