MGH 2017-2018 Flu Vaccine Clinics (for patients)

Revised Sept 28, 2017

* **Wang Main Lobby location only** for MGH Central Clinic on Columbus Day, Oct 9th

The above clinics are open to patients of the practice except where otherwise noted. Please remember to wear clothing that rolls easily up to the top of your arm. If you are unable to make it to one of the clinics, you are advised to call your doctor to schedule an appointment.

The vaccine is covered by your insurance and will be no out of pocket expense for you. If you have questions, you are advised to contact your insurance company. For **patients aged 65 and older**, it is recommended that you receive the high dose vaccine, unless advised otherwise by your doctor. This vaccine will also available at the MGH Central Clinic.
