

MASS GENERAL
RESEARCH INSTITUTE
DIVISION OF
CLINICAL RESEARCH

We are hiring!

WHO WE ARE

DCR provides support, education, and consultations to MGH investigators and study staff

The DCR Center for Clinical Research Education (CCRE) is an asset to the research community and is highly regarded at MGH

Every year, our education center offers 200+ live & online trainings with 6000+ attendees

We are looking for an
Assistant Director
for the CCRE

Develop educational opportunities for investigators & study staff through:

LIVE
LECTURES

ONLINE
MODULES

Think proactively about the program, identify gaps and areas to be amplified to provide a robust educational curriculum

WHO YOU ARE

Enthusiastic about research and education

Understand the issues involved in the conduct of research

Extensive knowledge of FDA regulations and ICH/GCP guidelines and research conduct

Outgoing and willing to foster positive and beneficial relationships with subject matter experts & students

And...

Self-starter, comfortable with working independently

5+ years of research experience

Bachelor's degree in a scientific discipline

Passionate about education?
