

## Printing a Lab Requestion from Chart Review

- 1.) Open Patient's Chart using two patient identifiers in Patient Station
- 2.) Select Chart Review Activity

The screenshot displays the eCare interface. On the left, the 'Chart Review' tab is selected, showing a list of lab tests with columns for Date/Time, Test, Status, Rec Date, Rec Time, and Encounter Type. A red arrow points to the 'Chart Review' tab. On the right, the 'Complement C4 (Order 252876965)' lab requestion details are shown. A red arrow points to the 'Reprint Order Requisition' section, which contains a blue hyperlink: 'COMPLEMENT C4 (Order 426287696) on 10/4/17'.
