Alcohol and Older Adults:

A Complicated and Concerning Relationship

Wednesday, September 23, 2020, 12:00PM - 1:00PM

Speaker: Gene Lambert, MD, MBA

Link to attend: <https://partners.zoom.us/j/94614620041>

Since the 21st century in the United States, evidence has shown an increasing trend in problematic alcohol use and alcohol use disorders; most notably in older adults. This presentation will review the epidemiology, socioeconomics, and neurocognitive impact of alcohol use disorders in the Baby Boomer generation. Significant U.S. healthcare system concerns as this population continues to age and increase in numbers will also be discussed.

Midwifery Care for Women in Recovery

Tuesday, September 29, 2020, 12:00PM - 1:00PM

Speaker: Susan J. Hernandez, CNM, MSN

Link to attend: <https://partners.zoom.us/j/91285068907>

Midwives care for pregnant women at all stages of recovery. The Midwifery Model of Care offers women and families support, education, and guidance throughout their pregnancy and after childbirth. This presentation shares the experience of midwifery care provided in the MGH HOPE Clinic.
