

THE MAXWELL & ELEANOR BLUM PATIENT AND FAMILY LEARNING CENTER

Raising a Bilingual Child: Frequently Asked Questions

Are you currently raising or planning to raise your child to speak two or more languages? What are the best strategies to do so? Could being bilingual lead to a speech delay? And what should you do if your child only wants to speak in English? Join Diana Brenner-Miller, MS, CCC-SLP, in investigating the answers to these classic questions and more.

This online program is free and open to MGH staff, patients, and the general public.
