

THE MAXWELL & ELEANOR BLUM PATIENT AND FAMILY LEARNING CENTER

Reach for the Stars: Your Guide to Medication Safety

Join us for a free program that will engage you to be more proactive when it comes to your medications and wellbeing. Registered pharmacists, Petrece Palmese, RPh, and Abhi Mehta, PharmD, MS, will discuss safe medication practices. They will also provide you with the tools to communicate more openly with your healthcare providers about your medications.

This online program is free and open to MGH staff, patients, and the general public.

Featured Speaker: Petrece Palmese, RPh

Petrece is a registered pharmacist with over 30 years of experience. She was formally an area healthcare supervisor in pharmacy operations at Walgreens before joining the outpatient pharmacy team at MGH. She continues to drive clinical excellence in pharmacy quality outcomes. In addition, she is a co-chair of the MGH Pharmacy Equity and Inclusion Committee.

Date: Monday, July 12, 2021

Time: 12:00 PM - 1:00 PM

Featured Speaker: Abhi Mehta, PharmD, MS

Abhi is a recent graduate and registered pharmacist at MGH. She is APhA Certified in Medication Therapy Management and serves as the pharmacist coordinator for the Bedside Delivery Program for inpatients who need their medications before leaving the hospital. Prior to working at MGH, Abhi was an Adjunct faculty member at MCPHS University. She is passionate about patient advocacy and leadership in pharmacy.
