

THE MAXWELL & ELEANOR BLUM PATIENT AND FAMILY LEARNING CENTER

# Sharing Hope: Supporting Families with Mental Health and Substance Use Disorders Treatment

Many families find themselves in a state of crisis when a family member is unwell. However, a loved one living with a mental health disorder, substance use disorder, or both can be even more tricky when the family is unsure how to help. Jennifer Blewitt, DSW, LICSW, will provide an overview of mental health and addiction treatment services. She will also share practical guidance on how families can best navigate the world of treatment, support, and available resources.

**This online program is free and open to MGH staff, patients, and the general public.**
