

## *Food Allergy Management Boot Camp Series*

### Calling All Grandparents! Caring for Grandkids with Food Allergies

Led by Dr. Michael Pistiner, this interactive group session will help you:

- Learn practical, hands-on skills for safely caring for grandchildren with food allergies.
- Understand how to read food labels, prevent exposure, and respond to allergic reactions.
- Get your questions answered by a pediatric allergist in a warm, welcoming setting.

Date: Wednesday, July 23, 2025

Time: 12:00 PM – 1:00 PM

Location: Blum Center, White 110

Registration is required as space is limited. To register, click the link or scan the QR code: [tinyurl.com/3xp4hbtX](https://tinyurl.com/3xp4hbtX)

This program is free and open to Mass General patients, families, staff, and the general public. For more information, email the Blum Center at [PFLC@partners.org](mailto:PFLC@partners.org) or call 617-724-7352.

Participants are encouraged to view the recorded "Basics/General Food Allergy Management Boot Camp Session" in advance to this session to maximize learning: [www.massgeneral.org/children/food-allergies/food-allergy-management-boot-camp](https://www.massgeneral.org/children/food-allergies/food-allergy-management-boot-camp)

#### Featured Speaker: Michael Pistiner, MD, MMSc

Dr. Pistiner is the Director of Food Allergy Advocacy, Education and Prevention for Mass General for Children Food Allergy Center. He has a special interest in food allergy and anaphylaxis education and advocacy. Dr. Pistiner is a fellow in the American Academy of Pediatrics (AAP), where he is a member of the Section on Allergy and Immunology, Council on School Health and the Massachusetts Chapter of the AAP. He is also a member of the American Academy of Allergy Asthma & Immunology and the American College of Allergy, Asthma and Immunology.
