

Spiritual Care Series

What Does a Chaplain Do Besides Pray?

POSTPONED

It is very natural for a hospitalization to cause patients and their loved ones distress. As members of an interdisciplinary team that focuses on whole-person care, chaplains/spiritual care providers are skilled professionals prepared to support people of all backgrounds. In this presentation, we will explore the many ways chaplains tend to spiritual and emotional needs, so you know what to expect from a chaplain on your team.

- This program is free and open to Mass General patients, families, staff, and the general public.
