

MGfC Family-Centered Care Series

Raising a Bilingual Child: Finding Strategies That Work Best for Your Family

Date: Tuesday, May 23, 2023

Time: 12–1 pm (Eastern Time)

When it comes to raising a bilingual or multilingual child, there are both general rules of thumb and specific considerations for each individual family. In this program, Jacqueline Toscano, MA, CCC-SLP, will discuss how we can support bilingual and multilingual language development in children with the understanding that “one size does not fit all.”

Featured Speaker: Jacqueline Toscano, MA, CCC-SLP

Jacqueline is a bilingual (Spanish/English) pediatric speech-language pathologist in the Department of Speech, Language & Swallowing Disorders and Reading Disabilities at Mass General. She specializes in working with children with communication delays and disorders from multilingual backgrounds.

- This program is free and open to Mass General patients, families, staff, and the general public.
