

# Supporting a Child Through Loss and Grief

**Date:** Wednesday, May 22, 2024

**Time:** 12–1 pm (Eastern Time)

Dr. Pat O'Malley, a former pediatric intensive care, emergency medicine, and palliative care physician, now medical advisor to a new pediatric bereavement program for Mass General for Children, shares ways to support children dealing with loss and grief, in the context of their developmental age and in the setting of their family, school, and peers.

## Featured Speaker: Pat O'Malley, MD

Dr. O'Malley is a former pediatric intensive care, emergency medicine, and palliative care physician. She is currently the medical advisor to a new pediatric bereavement program for MGfC that provides support and resources to families who have experienced the death of a child.

- This program is free and open to Mass General patients, families, staff, and the general public.
