

Intimate Partner Violence: Advocacy and Intervention Strategies in Healthcare with HAVEN

Date: Wednesday, October 9, 2024

Time: 12–1 pm (Eastern Time)

This presentation explores the critical role of healthcare professionals in addressing intimate partner violence (IPV) through advocacy and intervention. It highlights effective strategies for identifying and supporting IPV survivors within medical settings, in collaboration with HAVEN. Attendees will gain insights into integrating advocacy into patient care to enhance the safety and well-being for those affected by IPV.

- This program is free and open to Mass General patients, families, staff, and the general public.
