Join clinicians and patients from the Mass General Cancer Center as they host a virtual series of discussions about clinical trials. Participants will learn about the importance of clinical trials, the care team involved, and will hear and learn first-hand about a patient’s experience. Questions are encouraged!

**Candid Conversations About Clinical Trials for Our Communities**

**Time:** 7:00pm-8:00pm  |  **Location:** Virtually via the Mass General Cancer Center YouTube Channel

- **Feb 22**  
  Improving the Patient Experience
- **Feb 28**  
  Understanding the Basics
- **March 7**  
  Understanding Your Care Team
- **March 14**  
  A Patient’s Experience
