Hematologist/Oncologist Opportunity: Jiahui International Cancer Center, Shanghai, China

Position Summary

This role will be responsible for providing state-of-the-art hematologic malignancies and benign hematology inpatient and ambulatory clinical services at Jiahui International Cancer Center. The successful candidate will be board-certified and possess the skills and experience necessary to establish and maintain an active clinical practice. The ideal candidate will demonstrate a commitment to patient-centered multidisciplinary oncology care, including participation in quality management and care design. This position reports to the Director of Hematology/Oncology.

Jiahui Offers:

- Competitive salary and excellent benefits, including medical insurance, and CME leave
- Relocation allowance
- A chance to be on the next frontier of healthcare, overseas
- Clinically diverse cases and patients

Interested Candidates

Interested candidates should have a passion for making a change and delivering excellent patient care in China. Strong English language proficiency, spoken and written, is required; Chinese speaking is a plus. Must have excellent leadership and communication skills, and a willingness to relocate to Shanghai, China. For more information on this position, contact:
