Radiation Oncologist Opportunity: Jiahui International Cancer Center, Shanghai, China

Position Summary

This role will be responsible for providing state-of-the-art Radiation Oncology clinical services at Jiahui International Cancer Center in Shanghai, China. The successful candidate will be board-certified and possess the skills and experiences necessary to establish and maintain an active clinical practice. The ideal candidate will demonstrate a commitment to patient-centered multidisciplinary oncology care, including participation in quality management and care design. Experience at an accredited university medical center preferred. This position reports to the Director of Radiation Oncology.

Jiahui Offers:

- Competitive salary and excellent benefits, including medical insurance, and CME leave
- Relocation allowance
- A chance to be on the next frontier of healthcare, overseas
- Clinically diverse cases and patients

Interested Candidates

Interested candidates should have a passion for making a change and delivering excellent patient care in China. Strong English language proficiency, spoken and written, is required; Chinese speaking is a plus. Must have excellent leadership and communication skills, and a willingness to relocate to Shanghai, China. For more information on this position, contact:
