

Mass General Cancer Center Smokefree Support Service is offering a **new education and support group** for cancer patients and survivors who smoke.

Join us for a **FREE** 8-week virtual (Zoom) group to **learn skills** and tools to help you with your health-related goals and **seek support and encouragement** from others with a common experience.

Mass General Brigham
Mass General Cancer Center

Thinking about quitting smoking? Struggling to remain smokefree?

You can do it. You do not have to do it alone. We can help!

NEW

Virtual (Zoom) 8-Week
Education and Support Group
Tuesdays at 5pm
Starting April 29

To be eligible for this group, you must be a current or former patient of an MGH Cancer Center (Boston, Danvers, Waltham, Newton-Wellesley).

Providers can place an e-consult in Epic, select 'Ambulatory referral to MGH Oncology Smoking Cessation (Cancer Center)' and note group interest in the referral.
