- Social workers
- Genetic counselors
- Access to imaging services (*CT, 2D and 3D mammography, breast ultrasound, MRI, pediatric imaging, x-rays, ultrasound, nuclear medicine*)
- On-site cafe
- Free parking

Scheduling Appointments

Call the Registration and Referral Center (866-211-6588) if:

- **You are a patient who is new to the Mass General Hospital system.**
The Registration and Referral Center will assign you a patient number, which you will need to make an appointment with any of the Waltham physicians. After you obtain your patient number, call 617-726-5130. An access nurse will have a help to schedule your first appointment in Waltham.

Call our Boston office (617-726-5130) if:

- **You are a current Mass General patient, but have not been seen in Waltham yet.**
Your current Mass General physician will connect with a Waltham physician to discuss your care. A scheduler will then call you to schedule an appointment in Waltham.
- **If you are a current Mass General patient who needs to schedule a chemo start in Waltham, or would like to move your chemo to Waltham.**
Your current Mass General physician will connect with a Waltham physician to discuss your care. A scheduler will then call you to schedule your appointment in Waltham.

Call the Waltham office (781-487-6100) if:

- **If you are a current Mass General patient, and have already been seen in Waltham.**
You can call 781-487-6100 to schedule your follow-up appointments in Waltham.
- **If you are a current Mass General patient who needs to schedule subsequent chemo appointments in Waltham.**
You can schedule your following appointments when you are in Waltham, or may do so by calling 781-487-6100.

If you are interested in receiving your oncology care at our facility in Waltham, **ask your Cancer Center team how.**
