Behavioral Consultation and Training

The Lurie Center is pleased to offer behavioral consultation and training services to patients and their families. Our model is informed by best practices in applied behavior analysis (ABA) and is tailored to meet the individual needs of each patient, family and environment.

All services are led by our experienced Behavioral Consultant, Nicole Simon, EdM, LABA, BCBA.

Virtual Behavior Basics Class

Monthly, 4th Tuesday, 11:30 -1:00 PM

\$25 per Family

We recommend our Behavior Basics Class for parents of children of all ages. This interactive workshop helps caregivers understand the basic principles of behavior to better manage challenging behaviors. Discussion focuses on evidence-based applied behavior analysis (ABA) and applying this methodology to daily life.

Registration required: Email LurieCenter@partners.org

Nicole Simon, EdM, LABA, BCBA

Senior Behavioral Consultant

- Board Certified Behavior Analyst
- Licensed Applied Behavior Analyst, Massachusetts
- Master of Education from Harvard University Graduate School of Education specializing in Risk and Prevention

Areas of Expertise

- Applied Behavior Analysis
- Autism Spectrum Disorder
- Co-occurring psychiatric illnesses
- Severe challenging behaviors
- Parent, caregiver, teacher training

Nicole Simon, EdM, LABA, BCBA has extensive experience designing programs to treat challenging behaviors and increase adaptive skills in home, school and community settings. She also has a passion for training others to provide premium ABA services.

Ms. Simon utilizes a collaborative approach in her work and promotes the highest quality of life for the individuals she serves in a learning environment that is therapeutic and safe. She strongly believes in the importance of family and school partnerships and strives to develop realistic recommendations for each setting.
