Join us Virtually

January 27th, 6:30-7:30 p.m.

for a discussion with
Brett Mulder, PsyD, Andrew Harris, MEd,
and Jessie Pappagianopoulos, MA

Virtual Supports in a Pandemic and Beyond

Throughout much of this year, many services for autistic teenagers and adults have transitioned to a virtual format. The Lurie Center for Autism invites you to join Brett Mulder, PsyD, Andrew Harris, MEd, and Jessie Pappagianopoulos, MA, for an open discussion of the unique and exciting opportunities the virtual space provides for authentic social connection and skill development for individuals on the spectrum.

*Brett Mulder, PsyD
Program Director, Teen and Adult
MGH Aspire*

*Andre Harris, MEd
Assistant Program Manager
Teen and Adult, MGH Aspire*

*Jessie Pappagianopoulos, MA
Assistant Program Manager
Teen and Adult, MGH Aspire*

Registration is Required for this Virtual Event
