Creating a Resume

Virtual (Zoom)

18 +

\$100

This beginner-level workshop is designed for adults who are starting the job search process and need help creating or updating their resume. We will cover the basics of resume writing, including:

- What is the purpose of a resume?
- How do you know what to include in your resume?
- How do you format your resume?
- Tips for creating a resume that stands out.

- **Scheduling Note:** If a Program time conflicts with your college/university fall schedule, please add that note to your fall application. Pending final college/university decisions, MGH Aspire may be able to accommodate scheduling conflicts based on our participants' needs.
- MGH Aspire offers child, teen, and adult group programming. We match applicants into programs based on age, interests, and developmental profile. 7.28.20
- Age levels for our programs overlap. If the participant is aged 13-14, look into both our child and teen offerings. If the participant is 17-19, look into our teen and adult offerings. If the participant is 18+, look into our adult and MGH Aspire Works offerings. We will work with you to find the best fit.
- Based on interest and availability, we are able to add additional groups. Please contact us if you are interested in a group but not able to attend the listed schedule .
