

# Do You Have PSORIASIS?

You may be eligible to participate in the Corrona® Psoriasis Registry:

- ✓ If you are at least 18 years old
- ✓ Have a diagnosis of psoriasis
- ✓ Have started on an eligible psoriasis medication within the last 12 months.

You and your treating dermatology provider will complete Registry Questionnaires during routine visits approximately every six months.

The Corrona® Psoriasis Registry was developed in partnership with the National Psoriasis Foundation, and is the largest collaborative observational registry of psoriasis patients in the U.S. and Canada.
