Introduction
I am a $X_{\underline{\underline{\underline{\underline{\underline{X}}}}}$ who specializes in the care of $X_{\underline{\underline{\underline{\underline{\underline{X}}}}}}$ . After completing my
training in $X_{\perp}$ at $X_{\perp}$ I joined the faculty at MGH and HMS, where I provide
clinical care, supervise trainees, administer a clinic, and conduct research on $X_{}$ to
enhance our knowledge and the quality of patient care.
emance our knowledge and the quanty of patient care.
Area of Excellence - Clinical Expertise and Innovation
My clinical interests and expertise revolve around the practice of $X$ . Since
$X_{\perp}$ I have been actively involved in clinical work, providing treatment for patients
afflicted with $X_{\underline{\underline{\underline{\underline{\underline{X}}}}}}$ ; I receive referrals from colleagues locally, regionally, and
nationally.
The program that I created has grown and now evaluates and treats $X_{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline{\underline$
patients each year and serves as a core training experience for $X$ medical students
residents, and fellows each year.
Teaching
I have been actively involved in teaching and supervision of medical students and
residents since I joined the MGH/HMS faculty. In addition, I lecture regularly in the
HMS course on $X_{\perp}$ in the third-year. I am currently organizing a new course on
$X_{\perp}$ that will be offered to medical students, residents, and fellows, covering the
evaluation and care of patients with $X_{\underline{}}$ .
Supporting Activity- Investigation
In addition to providing administrative oversight, clinical care, and teaching, I
have been conducting clinical research on $X$ . I have received funding from the
NIMH (e.g., RO1 grant) that aims to determine $X_{}$ . I currently have under review a
grant that proposes to study $X_{\underline{\hspace{1cm}}}$ .
Summary
Since my appointment as $X_{\underline{\underline{\underline{\underline{\underline{X}}}}}$ at HMS I nave endeavored to provide excellent
clinical care, administrative oversight, and teaching, while also conducting clinical trials
in my area of clinical expertise.
Through my lecturing (at a local, regional, and national level), my written works
(e.g., peer-reviewed original research, topical reviews of the literature, and book chapters
in well-regard texts), my clinical research, and my involvement with professional
societies I have sought to improve the care for patients with $X_{\underline{}}$ .
