*Traditional*
Perpetual adaptive trial - Open Label Extension offered

- Treatments were selected by ALS scientists and experts based on a competitive process.
- The platform opened with the first 3 treatments – enrollment started in July 2020.
- The next treatment will be added soon (pridopidine by Prilenia).
- We are in discussion with 3 companies for 2021!
Enrollment Updates (as of Oct 15, 2020)

• 127 individuals with ALS signed informed consent
• 74 are currently on study drug

*We will continue to update the ALS community on enrollment (website, webinars)*
