Aronson Fontes L. (2020). [Blog: Should I start a new relationship after domestic violence?](#) : With the extreme stresses of COVID-19 and social distancing, it is easy to crave a relationship that will make all the pain go away. Some survivors of domestic violence want another chance at love. Some feel lost when they separate from the partner who abused them, missing the companionship that even a controlling relationship provided. They may long deeply for the promise of love and protection that the abuser failed to provide.
