Massachusetts General Hospital O'Keeffe Auditorium (HYBRID, In-person & on Zoom)

Mohit Bhandari, O.Ont, C.M. MD, PhD, FRCSC currently holds the title of Distinguished University Professor and Chair in the Department of Surgery at McMaster University. He holds a Senior Tier Canada Research Chair in Surgical Innovation. He received his Masters Degree in Clinical Epidemiology and Biostatistics from McMaster University and his PhD Degree from Goteborg University.

Dr. Bhandari is now in his first year as Editor-In-Chief of The Journal of Bone and Joint Surgery. He is recognized a global leader in global surgical trials and the promotion of evidence-based surgery worldwide with 1100 peer reviewed publications and over 60 million in research funds. Dr. Bhandari's commitment to evidence-based practice, high quality globally relevant research and translation of evidence to patient care has garnered him induction into The Order of Ontario, McMaster University's Distinguished Alumni Award, and Canada's highest civilian honor, The Order of Canada. He was recently honored with the King Charles III Medal of Service to Canada.
