

Genetics Series

All programs are free and open to Mass General patients, families, staff, and the general public.

Please submit questions you may have about these topics before the programs to:
PFLC@partners.org so that the speakers may address them during the sessions.

Ehlers Danlos Syndrome: What You Need to Know

Tuesday, October 8, 2024

12–1 pm (Eastern Time)

Link and QR code to attend: <https://partners.zoom.us/j/82137869126>

Featured speaker: David Sweetser, MD, PhD

This session will be a primer on Ehlers-Danlos syndrome (EDS) for those who think they or a family member may have it. Join us to learn more about this complex condition and how it is diagnosed.

For more information, call 617-724-7352 or email PFLC@partners.org

The Genetics Series is a collaboration between the Maxwell & Eleanor Blum Patient and Family Learning Center and the Center for Genomic Medicine at Mass General.
