

# The Thyroid Gland: Importance, Illnesses, and Treatment Options

**Date:** Thursday, January 5, 2023

**Time:** 12–1 pm (Eastern Time)

How much do you know about the thyroid gland? It is actually an important gland! Join Dr. Nikolaos Stathatos for a talk on the thyroid gland. He will discuss how the thyroid gland works, why it is so important, the common problems, and the best available treatments.

## Featured Speaker: Nikolaos Stathatos, MD

Dr. Stathatos is a doctor for the Mass General Hospital Thyroid Unit. He is also an assistant professor in medicine at Harvard Medical School.

- This program is free and open to Mass General patients, families, staff, and the general public.
