

# Disability Education Series Vision Loss

**Date:** Wednesday, January 3, 2024

**Time:** 12–1 pm (Eastern Time)

“Vision impairment” and “low vision” are both different ways to describe the same wide range of visual capabilities. In this program, we will discuss different types of vision loss, the wide range of functional challenges that arise with vision loss, and all the tools and resources to equip those with this specific disability.

- This program is free and open to Mass General patients, families, staff, and the general public.
- To attend this program, click on this link: <https://partners.zoom.us/j/88519803791>
- Live captions and ASL interpreting will be provided. Please email [PFLC@partners.org](mailto:PFLC@partners.org) to request special accommodations.
- This program is a collaboration between the Maxwell & Eleanor Blum Patient and Family Learning Center and the Council on Disability Awareness at Mass General.
