

Climate Change and Health Series:

The Mass General Food to Energy Program: Reducing Greenhouse Gas Emissions

Date: Wednesday, March 22, 2023

Time: 12–1 pm (Eastern Time)

In this next session of our Climate Change and Health Series, we will focus on the Mass General Food to Energy Program. We will:

- Discuss the link between food waste and greenhouse gas emissions.
 - Explore the Mass General Food to Energy Program.
 - Examine the goals and outcomes of the Mass General Food to Energy Program.
-
- This program is free and open to Mass General patients, families, staff, and the general public.
 - To attend this program, click on this link: <https://partners.zoom.us/j/82739828681>
 - Please submit questions you may have about the topic before the program to: PFLC@partners.org so that the speakers may address them during the session.

For more information, call 617-724-7352
or email PFLC@partners.org
