

THE MAXWELL & ELEANOR BLUM PATIENT AND FAMILY LEARNING CENTER

# Cancer Center Series: Sexual Health After a Cancer Diagnosis

Though a cancer diagnosis can affect all aspects of a patient's life, sexual health is not often an area of focus. Join nurse practitioner Lorraine Drapek as she reviews the scope of sexual health issues after a cancer diagnosis and treatment. She will discuss common issues and general interventions as well as provide information about available resources.

**This online program is free and open to MGH staff, patients, and the general public.**
