Reflections on Substance Use Recovery with the MGH HOPE Clinic

Wednesday, September 25, 2024

12–1 pm (Eastern Time)

Location: Blum Center, White 110 (in-person event)

Featured speakers: MGH HOPE Clinic Team

Join us to hear from team members of MGH's multidisciplinary HOPE Clinic (**H**arnessing support for **O**pioid and substance use disorders in **P**regnancy and **E**arly childhood) about what it means to them to navigate substance use recovery alongside pregnant and postpartum people and their families. Clinic team members will provide an overview of the services offered at the HOPE Clinic, share insights we have learned from our 5 years of caring for families impacted by substance use disorders, pause to appreciate what it means to walk with individuals on their journey, and celebrate any positive change in working towards health and wellness. Panelists will answer questions from the audience as time permits.
