

Tips and Resources: Nutrition

Tips

1. Follow the balanced plate method:

2. Mindful Eating:
 - Pause before eating, take 3 deep breaths, notice your appetite and what your body needs to feel nourished at that time.
 - Appreciate your food, who and where it came from, and who you are with while enjoying it
 - Limit distractions at mealtimes (screens, talking, work)
 - Engage all five senses! Be curious and take time to observe the food textures, colors, scents, and savor the tastes. How does it make you feel?
 - Take smaller bites, chew thoroughly and slowly
