

Coffee Convo Presentation Series

The Lurie Center for Autism is an integrated and multidisciplinary clinical, research, training and advocacy program dedicated to treating individuals with autism spectrum disorder across the lifespan. We are committed to providing ongoing evidence-based learning and training opportunities for patients, families, and professionals. Our popular Coffee Convo presentation series runs monthly throughout the year.

2023-2024 Schedule of Events

Coffee Convo events are presented virtually on Wednesday evenings from 6:30pm – 7:30pm. All events are free and open to the public. Registration opens four weeks prior to each event. To receive registration email reminders, [subscribe here](#).
