### Climate Change Advocacy Groups

<b>Boston Climate Action Network (BCAN)</b>	<p>The Boston Climate Action Network (BCAN)'s mission is to organize Boston residents and collaborate with other social justice allies to advocate for climate justice and urgent action on the climate emergency by the City of Boston and other policymakers.</p>	<a href="https://bostoncan.org/">https://bostoncan.org/</a>
<b>CREW</b>	<p>CREW is a network of local leaders building grassroots climate resilience through inclusive &amp; hands-on education, service, and planning.</p>	<a href="https://www.climatecrew.org/climate-resilience-and-migration?locale=en">https://www.climatecrew.org/climate-resilience-and-migration?locale=en</a>
<b>Environment and Energy</b>	<p>A Better City represents a multi-sector group of nearly 130 business leaders united around a common goal: to enhance the Greater Boston region's economic health, competitiveness, equitable growth, sustainability, and quality of life for all communities.</p>	<a href="https://www.abettercity.org/our-work/environment-and-energy/">https://www.abettercity.org/our-work/environment-and-energy/</a>
<b>Environmental League of Massachusetts (ELM)</b>	<p>The Environmental League of Massachusetts (ELM) is committed to combating climate change and protecting the commonwealth's land, water, and public health. By creating diverse alliances and building the power of the environmental community, ELM uses its collective influence to ensure Massachusetts is a leader in environmental and economic sustainability.</p>	<a href="https://www.environmentalleague.org/">https://www.environmentalleague.org/</a>
<b>Mass Climate Action Network</b>	<p>The Massachusetts Climate Action Network (MCAN), a 501(c)3 non-profit, fights the climate crisis one town at a time, with the help of local MCAN chapters – and you!</p>	<a href="https://www.massclimateaction.org/activism_and_advocacy">https://www.massclimateaction.org/activism_and_advocacy</a>
<b>Mass Power Forward</b>	<p>Mass Power Forward is a coalition of over 200 environmental leaders, community development organizations, clean energy businesses, faith groups, neighborhood health and safety advocates and Massachusetts families fighting for our future.</p>	<a href="https://www.mapowerforward.com/">https://www.mapowerforward.com/</a>
<b>Mothers Out Front</b>	<p>Mothers Out Front is founded on the conviction that there is no more powerful force for change than women mobilizing to protect their children. We know that when we come together for climate, racial, and social justice to tell our stories and share our dreams for our children, we cannot fail.</p>	<a href="https://www.mothersoutfront.org/">https://www.mothersoutfront.org/</a>
<b>Third Act</b>	<p>Third Act is building a community of Americans over the age of sixty determined to change the world for the better. Together, we use our life experience, skills, and resources to build a better tomorrow.</p>	<a href="https://thirdact.org/">https://thirdact.org/</a>

350.org	350.org is standing up to the fossil fuel industry to stop all new coal, oil and gas projects and build a clean energy future for all.	<a href="https://350.org/">https://350.org/</a>

### Climate Change and Health Information

C-Change	From our landmark study showing coal impacting health at every stage of its life cycle, to our research on toxics in gas stoves and the benefits of clean energy, to our educational programs reaching students around the world, the Center for Climate, Health, and the Global Environment has been translating innovative science from across Harvard T.H. Chan School of Public Health for over 25 years	<a href="https://www.hsph.harvard.edu/c-change/">https://www.hsph.harvard.edu/c-change/</a>
CDC Climate and Health	CDC's Climate and Health Program supports state, tribal, local, and territorial public health agencies as they prepare for the health impacts of a changing climate.	<a href="https://www.cdc.gov/climateandhealth/default.htm">https://www.cdc.gov/climateandhealth/default.htm</a>
Environmental Protection Agency Climate Change	The EPA is committed to advancing the goals of environmental justice for all Americans, including those historically marginalized, overburdened, underserved, and living with the legacy of structural racism.	<a href="https://www.epa.gov/climate-change">https://www.epa.gov/climate-change</a>

### Climate Change Research and Education Opportunities

MGH Center for Environment and Health webinars and podcasts	The Center for the Environment and Health works with leadership at Massachusetts General Hospital to integrate environmental sustainability into the clinical, research and educational activities of the hospital.	<a href="https://www.massgeneral.org/environment-and-health">https://www.massgeneral.org/environment-and-health</a>  <a href="https://www.massgeneral.org/environment-and-health/healthcaresos">https://www.massgeneral.org/environment-and-health/healthcaresos</a>
MGH Blum Center Climate Change Series	The Maxwell & Eleanor Blum Patient and Family Learning Center, commonly known as the Blum Center, is a relaxed and comfortable place for patients, families and friends to find accurate health information with help from trained staff.	<a href="https://www.massgeneral.org/blum-center/events/blum-center-program-mental-health-impacts-of-climate-change">https://www.massgeneral.org/blum-center/events/blum-center-program-mental-health-impacts-of-climate-change</a>
Harvard Forests	The Harvard Forest is a department of the Faculty of Arts and Sciences (FAS) of Harvard University. From a center comprised of 4,000 acres of land, research facilities, and the Fisher Museum, the scientists, students, and collaborators at the Forest explore topics ranging from conservation and environmental change to land-use history and the ways in which physical, biological and human systems interact to change our earth.	<a href="https://harvardforest.fas.harvard.edu/">https://harvardforest.fas.harvard.edu/</a>
Coalition for Environmentally Responsible Economies (Ceres)	Ceres advances leadership among investors, companies and capital market influencers to drive solutions and take action on the world's most pressing sustainability issues.	<a href="https://www.ceres.org/homepage">https://www.ceres.org/homepage</a>

<a href="#">Woodwell Climate Research Center</a>	Woodwell Climate Research Center conducts science for solutions at the nexus of climate, people, and nature	<a href="https://www.woodwellclimate.org/">https://www.woodwellclimate.org/</a>

### Caregiver and Educator Resources

<a href="#">NRDC Parent Guide</a>	NRDC uses science, policy, law, and people power to confront the climate crisis, protect public health, and safeguard nature.	<a href="https://www.nrdc.org/take-action/toolkits">https://www.nrdc.org/take-action/toolkits</a>
<a href="#">Talk Climate Guide</a>	Talking about climate in our schools, homes, communities, and workplaces is one of the most important climate actions we can take. This website is for everyone (young people, caregivers, and professionals) who want to learn how to have productive, courageous, and empowering conversations about climate change.	<a href="https://talkclimate.org/">https://talkclimate.org/</a>

### Youth Resources

<a href="#">Kids Against Climate Change</a>	All around the world, kids are learning about climate change. Why should we care? This is a site created by kids (and a teacher) for kids (and teachers).	<a href="https://kidsagainstclimatechange.co/">https://kidsagainstclimatechange.co/</a>
<a href="#">NASA Climate Kids</a>	Climate Kids is produced by the Earth Science Communications Team at NASA's Jet Propulsion Laboratory / California Institute of Technology	<a href="https://climatekids.nasa.gov/">https://climatekids.nasa.gov/</a>
<a href="#">NPR A Kid's Guide to Climate Change</a>	Are you a kid — or do you know a kid — who is learning about climate change? It can be hard to know where to start. So we made a guide about how it's changing the planet and how to deal with the big feelings you might have when you hear about it.	<a href="https://www.npr.org/2023/01/17/1144849154/climate-change-kids-guide">https://www.npr.org/2023/01/17/1144849154/climate-change-kids-guide</a>
