MENTORING BEST PRACTICES

As Mentor

- Creating an environment for open communication by listening to mentees’ perspectives and concerns
- Helping mentees clarify career goals, and identify problems and solutions
- Providing actionable advice, guidance, and support
- Sharing stories about experiences
- Defining realistic goals and expectations
- Developing and revisiting an action plan
- Setting milestones to monitor success
- Establishing communication guidelines
- Creating the time for meeting
  - Meetings at least every 4-6 weeks
  - Meetings more often can be beneficial
- Laying the ground rules on and maintaining confidentiality
- Following through on commitments
