

MGH COVID-19 Household Contacts at Risk (*CAR*) Study

Resources for Accessing Testing and Healthcare

If you have a primary care provider (PCP), contact their office for testing, medical questions/concerns, or to schedule an appointment.

If you do not have a PCP, the following are local resources you can contact.

Always call 911 in a medical emergency.

For Mass General Brigham (MGB) established patients *without* a primary care provider:

- MGB Nurse Hotline (617) 724-7000:
 - Hours: M-F 8am-8pm; Sat & Sun 8am-5pm
- MGB COVID-19 Website:
 - <https://www.massgeneral.org/news/coronavirus/partners-patient-covid-resources>

If you are *not* an established patient at Mass General Brigham (MGB):

- Call **2-1-1** for questions about symptoms, testing and treatment for the Coronavirus:
 - Available 24/7
 - Operators available for Spanish and many other languages
- State of Massachusetts online tool (available in English and Spanish only):
 - https://www.buoyhealth.com/symptom-checker/?configuration=ma_covid&concern=coronavirus

Testing sites In Massachusetts: Call ahead to make an appointment
