

Clinical Studies with Pridopidine

[Pridopidine has a beneficial effect on functional capacity \(PRIDE-HD\), 2020](#)

[Long term \(5-year\) sustained effects of pridopidine on functional capacity \(Open-label study\), 2020](#) (abstract only)

Mutations in S1R Cause ALS

[Sigma-1 receptor mutations that impair cell energy cause ALS, 2016](#)

[Sigma-1 receptor loss of function mutation causes early onset \(Juvenile\), 2011](#) (abstract only)

Pridopidine Animal Studies

[Pridopidine protects brain cells in a Huntington disease cell model, 2019](#)

[Pridopidine protects brain cells in an ALS mouse model, 2019](#)

S1R Review Articles

[An overview of Sigma-1 receptor \(and pridopidine\) in neurodegenerative disease, 2020](#)
(abstract only)

[Sigma 1 receptor as a therapeutic target for ALS, 2017](#) (abstract only)
