- *What year did you graduate from the Mass General Dietetic Internship?*
- *What are your most vivid memories of the internship?*
- *Tell us about your experiences after the internship. What types of jobs have you had? Did you pursue additional training or education? Have you engaged in nutrition/food volunteer work?*
- *In what ways did the internship prepare you for your current job?*
- *Do you still keep in contact with your intern class/people you met at Mass General?*
- *What words of advice do you have for current dietetic students?*
