**NOTE:**

**PLEASE REFER TO FIGURE 1 AND 2**

The Executive Committee for the MGB Geriatric Psychiatry Fellowship's main three academic medical centers at Harvard Medical School, in collaboration with the Program Director, Senior Program Coordinator, and Site Directors are very proud

to present to the Harvard Medical School faculty our integrated and dynamic didactic schedule tailored for the cultivation and growth of our field in geriatric psychiatry, focusing on sharpening the saw in upcoming knowledge which focus mainly on the education of our next generation of geriatric psychiatrists with strong foundation in patient care, education, and the clinical neurosciences.

FIGURE 1. TEACHING MODEL
