Notes

- Aspire offers child, teen, and adult group programming. We match applicants into groups based on age, interests, and developmental profile.
- There is some overlap of age levels in our groups. **If your child is ages 14 or younger, please also look at our child group offerings; we will work with you to find the best fit for your child.**
- Based on interest and availability, we are able to add additional groups. Please contact us if you are interested in a group but not able to attend the listed schedule.
- Questions? Contact us at mghaspire@partners.org or 781.860.1900.
