“Periprosthetic Infection and 10 Commandments of Starting Practice”

Thursday, March 30, 2017
6:45 am - 7:45 am
Massachusetts General Hospital
O’Keeffe Auditorium
Thomas K. Fehring, MD is the Co-Director of the OrthoCarolina Hip & Knee Center, where he has practiced for over 30 years. His clinical practice and research efforts focus on hip and knee revision surgery, as well as periprosthetic infection. Dr. Fehring also serves as Medical Director of the Charlotte Orthopaedic Hospital and is Founder and Co-Director of the OrthoCarolina Charitable Foundation that supports educational initiatives locally and internationally.

Dr. Fehring played Division I Football and earned his BA degree at Wake Forest University in North Carolina. He attended medical school at the University of Texas and completed his residency at Vanderbilt University Medical Center in Tennessee. After his residency, Dr. Fehring completed a fellowship in adult reconstructive surgery at the New England Baptist Hospital in Massachusetts.

Dr. Fehring has authored over 120 peer-reviewed publications and has given nearly 300 academic presentations. He is a member of the Hip Society, Knee Society, and the American Association of Hip and Knee Surgeons (AAHKS). He has served as President of both the Knee Society and AAHKS. In March 2016, Dr. Fehring was The John Insall Visiting Professor at The Hospital for Special Surgery in New York, and then in April 2016, he was The Hillman Visiting Professor at Vanderbilt University Orthopaedic Department.

Dr. Fehring has been the recipient of numerous awards. Those most recent include: 105 Knee Surgeons to Know, Becker's ASC Review 2017; Top Doctors, Business NC Magazine 2015; Top Achievement, Charlotte Magazine 2015; Top Doctor, Charlotte Business Journal 2014; Top Doctor, Charlotte Magazine 2013; Best Doctors of 2013, Business NC Magazine; Top 26 US Knee Surgeons, Orthopedics This Week 2012; Charlotte's Best Doctors, Charlotte Business Journal 2012; Physician of the Year, OrthoCarolina 2011; Physician of the Year, Charlotte Orthopaedic Hospital 2010; and Top Doctor, US News & World Report.
