## Massachusetts General Hospital Fellowship Program in Rural Health Leadership Application Instructions

Thank you for your interest in the MGH Fellowship Program in Rural Health Leadership.

We manage application materials electronically. Please arrange materials including letters of recommendation to be emailed to the program at [ruralmedicine@mgh.harvard.edu](mailto:ruralmedicine@mgh.harvard.edu). We will confirm receipt. Please direct questions about the program or the application to Fellowship Director Stephanie Sun at [swsun@mgh.harvard.edu](mailto:swsun@mgh.harvard.edu) or Fellowship Coordinator Aislinn O'Keefe [aokeefe6@mgh.harvard.edu](mailto:aokeefe6@mgh.harvard.edu).

### Application checklist:

1. **A completed application form (this document)**
2. **A CV**
3. **Three signed letters of recommendations, one of which is from your program director, or, if you are no longer in residency, from a current clinical supervisor**

Applications will be accepted from **July 1, 2022 to September 30, 2022**. Interviews will be offered on a rolling basis. Applicants will be notified of decisions after all interviews have been completed.

It is the ethos of the Rural Health Leadership program that we will tailor the fellowship experience to each fellow's interests and career needs. We believe in partnership with our fellows as much as with the communities in which we work and aspire to create an atmosphere of co-ownership and co-leadership.

Given the fellowship's focus, the program encourages applications from individuals from underrepresented minority groups and/or who hail from rural areas. Massachusetts General Hospital is an equal opportunity employer.

Please contact us with questions at any time at either of the above email addresses.

---

# Massachusetts General Hospital Fellowship Program in Rural Health Leadership

Application form for fellowship period starting July 1, 2023

## **I. Personal / Contact Information** (\* = required)

\*Name in full (last, first middle):
