Procedure Preparation Instructions

Day of	f Your	Proced	lure
--------	--------	--------	------

-	
	If you have a MORNING procedure, do not eat or drink anything after midnight on the night before
	the procedure.
	If you have an AFTERNOON procedure, you may have a clear liquid breakfast. Clear liquids include
	water, tea, black coffee, clear broth, apple juice, Gatorade, soda, and Jell-O. Do not add milk
	products to beverages. Stop clear liquids 4 hours before your procedure.
	Do not have gum or hard candy within 4 hours of your procedure.
	Take all of your usual medications including medications for high blood pressure with small
	sips of water.
After	Your Procedure
	You will be monitored in the Endoscopy Unit Recovery Area for approximately 1 hour.
	Please bring personal items in case you are admitted to the hospital after the procedure.
	You will receive diet and medication instructions.
	You may return to work the day after the procedure.
	Please note, we are an Endoscopy Unit facilitating both outpatient and inpatient needs.
	Due to the nature of the complex procedures we perform, unavoidable delays may occur.

Please note, we are an Endoscopy Unit facilitating both outpatient and inpatient needs.

Due to the nature of the complex procedures we perform, unavoidable delays may occur.

Please plan accordingly. Every effort is made to start your procedure on time.

We appreciate your patience and flexibility!

Directions from Parking to Endoscopy Unit

We are located on the 4th Floor of the Blake Building 55 Fruit Street, Boston, MA 02114

From the Fruit Street Garage or Parkman Street Garage:

- 1. After parking, enter through the MGH main entrance
- 2. Take the E elevator to the 4th floor of the Blake Building
- 3. Once you exit the elevator, looks for the glass door labeled MGH GI Associates

For driving directions and more information, please visit the Parking and Visitor Information website www.massgeneral.org/visit

If you are using GPS, please be sure to verify the zip code

CONSENT FOR PROCEDURE

Patient Identification Area
PATIENT MUST BE IDENTIFIED BY
NAME AND MEDICAL RECORD NUMBER

I hereby authorize	to perform the following procedure(s)
Procedure <u>UPPER GI ENDOSCOPIC ULTRASOUND (UP</u>	PER EUS)
Site: Massachusetts General Hospital	_ If laterality applies: ☐ Right ☐ Left ☐ Both Sides ☒ NA
I have been informed of 1) the potential risks and benefits of t including the consequences of not having the procedure(s).	the procedure(s); and 2) the risks and benefits of the alternatives,
I am aware that the practice of medicine and surgery is not an to me concerning the results of the proposed treatment(s) or proposed treatment (s) or proposed treatment (s).	exact science, and I acknowledge that no guarantees have been made rocedure(s).
Further I am aware that there are possible risks, such as loss of or therapeutic procedure. The following additional risks were	of blood, infection or pain that may accompany any surgical, diagnostic explained to me:
be performed with an endoscope that will examine the upper of	staging, and treatment of GI disorders and malignancies. The exam will GI tract. If an abnormality is seen, a needle aspiration may be performed. creatitis. Perforation and bleeding are very rare complications but may be

There is potential for bruising or soreness in the mouth. In rare instances, teeth may be dislodged or damaged.

Additional Procedures:

serious and require hospitalization, blood transfusion, or surgery.

- Celiac Neurolysis
- Pseudocyst Drainage
- Cyst Injection

If procedural sedation will be used during this procedure, I understand that this sedation has risks. My physician has discussed the use of procedural sedation. The risks include but are not limited to slower breathing and low blood pressure that may require treatment.

I understand that a potential risk or complication of the procedure is the loss of blood. I understand that I may require blood products during the procedure or in the post-procedure period. If I refuse blood products, I will complete a separate release for blood-free treatment form.

I understand that one or more healthcare industry professionals (technical representatives for medical equipment and device companies) or observers may be present during this procedure for advisory or observational purposes only.

The hospital may photograph, videotape, or record my procedure/surgery for educational, research, quality and other healthcare operations purposes. Any information used for these purposes will not identify me.

I understand that blood or other samples removed during this procedure may later be disposed of by Massachusetts General Hospital. These materials also may be used by Massachusetts General Hospital, its partners, or affiliates for research, education and other activities that support Massachusetts General Hospital's mission.

A team of medical professionals will work together to perform my procedure/surgery. The role and involvement of the senior attending in my procedure has been discussed with me, including that he/she may join the procedure after the opening of the surgical site or may leave during the closing of the surgical site, and may need to step away during non-critical portions of the procedure. The roles of additional practitioners involved in the procedure, indicated below, have also been explained to me. I understand that other medical professionals may be involved in the procedure who are not listed below. The name of those practitioners will be shared with me after the procedure.
