 - *Sites*
 - *Patient Navigator*
- **How to stay in touch and find a site near you**

YOUR QUESTIONS

HEALEY ALS Platform Trial

➤ **Accelerates ALS Therapy Development**

Traditional

	Intervention
Disease	Therapy A

Platform

	Intervention		
Disease	Therapy A	Therapy B	Therapy C

Perpetual adaptive trial- Open Label Extension offered

Healey Center

Sean M. Healey & AMG Center
for ALS at Mass General

- Treatments were selected by ALS scientists and experts based on a competitive process
- The platform opened with the first 3 treatments – enrollment started in July 2020
- The next treatment will be added soon (pridopidine by Prilenia)
- We are in discussion with 3 companies for 2021!

Enrollment Updates (as of Oct 15, 2020)

- **127** individuals with ALS signed informed consent
- **74** are currently on study drug

We will continue to update the ALS community on enrollment (website, webinars)
